In line with the Council of Ministers resolution to close government entities for two weeks effective Thursday 12th of March 2020 as a precautionary step to prevent the Coronavirus spread in the state of Kuwait, we assure our clients of our commitment to serve them by maintaining key business processes for our headquarters in Kuwait and that their relationship officers and key contacts at Kamco Invest are available and contactable when needed ensuring their interests are safeguarded and instructions executed.

Our regional offices in Saudi, Dubai, Turkey and Jordan continue operating as usual.
